## Health questionnaire:

Many people have diseases. Often a controlled disease is so habitual that you don't think about it. This can have consequences for your dental treatment. Therefore we kindly ask you to complete the following questionnaire (it's your case history and strictly confidential). The information disclosed herein is subject to professional discretion.

What is the main reason for your consultation?

<ul style="list-style-type: none"> <li>• <b>Have you been to the hospital or had medical treatment within the last two years?</b> If Yes, why? _____</li> </ul>	Yes*	No*
